KABOOSE™

Instructions on making your Hand-Held Trivia Game:

1. Write trivia questions and answers in the areas marked "Q" and "A".
2. Cut on the dotted line.
3. Fold in half twice, to make a square. Then unfold.
4. Place face down, and fold all 4 corners into the middle so that all corners touch.
5. Flip over and again, fold all 4 corners into the middle so that all corners touch.
6. Fold in half so that question marks are visible. Insert thumbs and fingers to operate.
